# Theology of the Body: Human Love in the Divine Plan

The writings of Pope John Paul II known as "Theology of the Body" is a profoundly original approach to the church's teaching on love, sex and marriage.

If you have a body; you need to come to this seminar!!  
Teens 18 or under must be accompanied by an adult.

*Men & Women Are From Eden* is a synthesis of John Paul II's new vision for understanding who we are as men and women and how we can experience the happiness for which God has destined us. Considering our culture's unorthodox understanding of love, sex, and marriage, you cannot afford to miss this study. This seminar will discuss God's original plan for males and females and how the Fall has affected our view of sexuality. Through Christ, we are redeemed people, and with this comes the dignity given to us from the beginning as to how we are to relate to God, self and others as it pertains to our sexuality.

This series will begin with a one day seminar by Dr. Mary Healy, author of *Men & Women Are From Eden*. Dr. Healy is adjunct professor of Scripture at the Notre Dame Graduate School of Christendom College and at Ave Maria University. She holds a master's degree in theology from Franciscan University and a doctorate in biblical theology from the Gregorian University in Rome.
