Adventures in Revelation

The Kingdom Yet to Come Bible Study

No one questions that there is a growing fascination with Revelation and its connection to our time, but, unfortunately, this recent phenomenon has produced more heat than light, and few have studied the book in its original setting and considered its original audience. Even fewer have written studies from a Catholic perspective. Recognizing the great need for a sound and sane study of this book and in response to the growing desire of thousands of Catholics around the country, *The Great Adventure* series has turned its attention to this remarkable and life-changing text.

Even with a cursory glance at Revelation, one realizes that it is not like reading one of the Gospels or one of Paul's carefully crafted letters. This book is full of images, numbers, colors, and creatures unfamiliar to a 21st-century reader. Though the images in this book may seem fantastical, once the rich symbolism is understood, you will find it very relevant to your daily life.

In this intriguing look at one of the most talked-about books in Scripture, Jeff Cavins explores Revelation to demonstrate how the Kingdom established by Christ in His Church is intimately connected with the Kingdom of Heaven, especially through the celebration of the Mass. You will also learn what all the mysterious figures and images of Revelation represent, as well as what will happen during the Second Coming of Christ, what has already happened, and what is happening now in salvation history.

Join us for this adventure in Revelation!
