St. Paul – A Bible Study for Catholics

Immerse yourself in the person of the Apostle Paul--heroic in his martyr's death--but so recognizably human in his conversion story and subsequent letters to the faithful. Gain fresh insights into your own personal growth potential through the Scripture of St. Paul:

- What does Paul's conversion have to teach me about how power is perfected through my weaknesses?
- How does his experience as an apostle of Christ teach me about responding to my own vocation in life?
- How might I apply St. Paul's bold and creative approach to challenging today's cultural and social status quo?
- In what ways might I imitate his care and concern for the world?
- Learn what St. Paul taught about the Sacraments of Baptism, Eucharist, Confirmation, Reconciliation, Holy Orders and Matrimony.

You will find this study guide's format concise and easy to follow. Self-assessment charts invite you to test your knowledge of biblical passages, helping you retain what you learn.
